

Message: Dear Parents Hanuman Jayanti is celebrated as the birth anniversary of Lord Hanuman. Lord Hanuman is considered as true and only devotee of Lord Ram. Good Friday is a major festival of Christians which is celebrated across the world. It is celebrated to mark the crucifixion and last moment of Jesus Christ. There would be no Christmas if there was no Easter." "Easter is the only time of year when it is safe to put all your eggs in one basket." So we are going to celebrate the festival of Hanuman jayanti, Good friday and Easter on 6th April 2023. Thanks KCS

Class-2 EVS Activity Dear Parents, It is hereby to notify class 2rd that an activity on "Draw family tree" is going to be held on Thursday (13th April).Making family tree helps to know about their family members and generations. Students are requested to be present on thursday. Material required:- A-4 size sheet Sketch pens Cryons Family member's photos (passport size) Glue Thanks KCS

Class - 3 EVS Activity Dear Parents, It is hereby to notify class 3rd that an activity on "Show and tell about my family " is going to be held on Saturday (15th April).Show and tell is the practice of showing something to an audience and describing it to them. In this activity students show family tree and tell about their family members. It is used to develop public speaking skill and enhance confidence. Students are requested to be present on Monday. Material required:- Family tree with photos of family members Thanks KCS

Class 4 E.V.S Activity: Dear parents, A family is God's greatest gift to all living beings on earth including human beings.A family serves as the first school to the child where one learns about various things. The basic knowledge about one's culture and identity comes from their family only. In other words, you are a reflection of your family. All the good habits and manners one has incorporated are from their family only.To make our students close to their family . We are going to organise a activity on family introduction on 15 th April . Thanks KCS

Class:- 5th Social Science activity: Dear parents, Globe is a model of the Earth. Since the Earth is round, this helps us see the shape, size and position of countries and oceans better than on a flat map. To understand this more we are going to organise an activity on the topic globe making on 21 April . Thanks KCS

Class 6 Social Science Activity: Dear parents, Geographers believe that the physical form of India is a mixture of all the types of landforms found in the world. our country has practically all major physical features of the earth, i.e., mountains, plains,deserts, plateaus and islands.To understand this more we are going to organise an activity on physical features of India on 28 april. Thanks KCS

Class :2 Dear Parents, An ordinal number is a number that indicates the position or order of something in relation to other numbers, like, first, second, third, and so on. This order or sequence may be according to the size. That's why we are going to organise an activity on ordinal numbers arrangement Students need to bring :- A4 size sheet of any colour, And black pen and thread This activity will be held on 21 April.. Thanks KCS

Class :3 Dear Parents. An ordinal number is a number that indicates the position or order of something in relation to other numbers, like, first, second, third, and so on. This order or sequence may be according to the size. That's why we are going to organise an activity on ordinal numbers arrangement. Students need to bring :- A4 size sheet of any colour, And black pen and thread . This activity will be held on 27 April. Thanks KCS

Class :- 4 Dear Parents. A number is a value used for representing the quantity and used in making calculation. A number system is a writing system for denoting numbers using digits are symbols in a logical manner. Students need to bring :- A4 size sheet and thread. This activity will be held on 11 April. Thanks KCS

Class :5 Dear parents Making roman numerals. There are seven basic symbols: I, V, X, L, C, D and M. The first usage of the symbols began showing up between 900 and 800 B.C. The numerals developed out of a need for a common method of counting, essential to communicate and trade. So our school is going to organise an activity on "Roman numerals". This will make every student understand numerals easily. Student need to bring :- 20 matchsticks or toothpicks, glue, a drawing sheet. This activity will be held on 18 April. Regards KCS

Class 3 English Activity:- As Kipling says, we can use these 6 question words to find out almost everything we need to know. Asking Question gives the children the opportunity to obtain information. So we are going to organise an "Asking Question Activity" in which students will get word and they have to frame question by that word. This activity will be held on 19 April. Thanks KCS

Class -5 English Activity A role model is a person who inspires people to live meaningful lives. Role models motivate young people to live the life of integrity, optimism, compassion and hope. So we are going to organise an activity in which students will tell about role model with their picture. This activity will be held on 13 april. Thanks KCS

Dear Parents, Please find the attached bus & Van routes in Important Document Section. You may contact concern person if you have any query. FOR VAN : Respective Van Driver (Number is given in route list) FOR BUS : Pyare Lal (7073828827) / Roop Chand (9166658055) Thank You

Dear parents, School timings are Class 1 - 8 to 1 pm Class 2- 8 to 1.50 pm Class 3 - 8 to 1.55 pm Classes 4 to 6 - 8 to 2 pm Regards KCS

Dear parents, 7.04.23 and 08.04.23 will be holiday on account of Good Friday and second Saturday. Regards KCS

Topic: Myself Seven billion people are on this Earth, and everybody is different from the rest of others. There is nothing without purpose in this world. Everything has some purpose. Humans are the best creation, and each person is exclusive. Thus, writing about myself, I'm here to express myself that what I see, what I experience and what I plan for my life. I try myself to be modest, passionate, devoted, hardworking and honest. So to understand this more, our school is going to organise "Myself" competition on 17th April 2023. Thanks KCS

Topic: Poem Recitation Dear parents, Recitation is an important and effective mode of English learning: Beauty is the realm of poetry, children enjoy the beauty of expression, thoughts, feeling, rhyme, rhythm and music of words. So we are going to organise a poem recitation competition in which students will recite a poem with speed, accuracy and expressions. This competition will be held on 20th April. Thanks KCS

Dear Parents, With reference to the recent outbreak infection of Measles & Rubella (M.R) in few parts of our state and country, the central government is driving a campaign of MR vaccination. Both diseases have no cure, but can be prevented by taking the MR vaccine. It is important for children of age group 1 to 10 years to take the vaccine of booster dose both in routine immunisation and in campaign. We are organising this campaign in our school on 10.04.2023. So if you also want to vaccinate your ward, give us a call or drop a message to give your concern on 8608608790 by tomorrow 9 am. Regards KCS

Message: Dear Parents Please find the attached planner of April-May. Regards KCS

Dear Parents, 11th April 2023 is a govt declared school holiday on account of Jyoti Rao Phulle Jayanti. Please find the govt notice attached. Thanks Team KCS

Dear parents Tomorrow i.e 13.03.23 we are going to celebrate Baisakhi at school. So please send your ward in Punjabi attire (girls suit, boys pajama kurta). Send school bag along with your ward (books, lunch) School timings will be same. Regards KCS

Message: Dear Parents, Dr. Bhim Rao Ambedkar was a visionary leader who dedicated his life to fighting against social discrimination and promoting equality and justice for all. His contribution to the nation will always be remembered, and his ideals continue to inspire generations. Dr. B.R. Ambedkar, an Indian jurist, economist, and social reformer played a pivotal role in the country's freedom struggle and was instrumental in the drafting of the Indian Constitution. In honour of Dr. Ambedkar's birth anniversary, the school will remain closed on 14th April 2023. We encourage everyone to take this opportunity to reflect on his life and legacy and to strive towards creating a more just and equitable society. Warm regards

Dear parents, A family is God's greatest gift to all living beings on earth including human beings. A family is a group of people who live together in the same household and take care of each other. The size of a family is determined by the number of members in it. Accordingly, we have nuclear family or conjugal family, extended family, and joint family. So to understand this more our school is going to organise an activity on the topic "Types of Family " where students can understand the concept. Activity Date : 18th April 2023 Thanks KCS

Dear parents Please send one extra shorts or skirt (in school bag)of your ward daily. Regards KCS

: Dear parents, If you want to submit anything (lunch, water bottle, stationary etc) please submit it at reception don't give anything on gate (maid). Regards KCS

There is nothing more relieving than the freedom to paint what you want, what you like!! Art communicates how similar we can be and also how different we are. KALAKRATI (A drawing competition) is our school event which happens every year. There will be three rounds of the competition. FIRST ROUND, SECOND ROUND & FINALE. FIRST Round will be held on 21st April. It would be a class competition. Winners from each class will be selected for the next round which is going to be on 25th April. FINALE Round of the competition is on 28th April. Rules for FIRST ROUND : ■ Students can choose any topic of their choice. ■ Students have to bring their own colors and A4 size sheet. ■ Time duration of competition is 1 hour. Let the artist inside you come out and help you relieve your emotions and feelings using art.

Dear Parents, Scientific activities mean activities that involve inventorying, monitoring, observations, experimentation, study, research, integration, modeling, and scientific assessment. So u all have to bring 1 match box with the A4 sheet and glue stick and with pair of scissor. Regards KCS
